The dashboard displays eight functional modules arranged in a grid:

- Offline Forms Data Entry**: Represented by a document icon with a checkmark.
- Saved as Draft**: Represented by a document icon with a checkmark.
- Form Processing**: Represented by a document icon with a checkmark and a pencil. Description: All the received Forms, through various mode will be visible and further action can be taken upon.
- Dashboard & Reporting**: Represented by a bar chart icon. Description: Dashboard & Reporting solution to choose and generate quick reports using data of choice.
- Removal Of DSEs**: Represented by a bar chart icon. Description: Removal Of DSEs.
- User Management**: Represented by a user icon with a gear. Description: Create and manage users based on privilege provided.
- PSE checklist submission**: Represented by a user icon with a gear. Description: Checklist Submitted by BLO.
- H2H Survey**: Represented by a user icon with a gear. Description: House to House Survey.

## Basic operation can be performed:

1. Offline Entry of All type of forms.
2. Field Verification Entry of All type of forms. [6,7,8]
3. All type of Entry regarding DSE & PSE.
4. Uploading of all field verified checklist.
5. House to House Survey Data Entry.
6. All type of report can be acquired from this Log-in.

The image shows a screenshot of a software window titled "Login". The window has a standard Windows-style title bar with minimize, maximize, and close buttons. The main content area contains three input fields and two buttons. The first field is a dropdown menu labeled "District" with the value "04-UTTAR DINAJPUR" selected. The second field is a text box labeled "Enter Login Name" containing the text "admin004". The third field is a text box labeled "Enter Password" containing a series of asterisks. Below the input fields are two buttons: "Login" and "Clear". At the bottom left of the window, the text "ersion :: 3.0.0.1" is visible.

District	04-UTTAR DINAJPUR
